Ref.- Government endorsement No. 40186-1-G2/46 dated 27-7-1946.

In view of the fact that Dr. N. Padmanabha Rao was appointed in 1934 and has completed his probation, he is recommended for appointment in one of the two permanent vacancies.

The President, District Board has recommended Dr. K. Lakshminarayana Rao for appointment in the second vacancy. The above Medical Officer is a permanent Rural Medical Practitioner of Adur and was appointed as a probationer in the cadre of Local Fund Medical Officers during 1938 and 1939. From the statement of particulars furnished by the President, District Board (copy enclosed) it is observed that Dr. K. Narayana Shetty, L.M.P., permanent Rural Medical Practitioner, Kota commenced his probation earlier than Dr. Lakshminarayana Rao who has now been recommended by the President, District Board on the contention that he has put in more years of service as Local Fund Medical Officer. It is not clear why Dr. K. Narayana Shetty who is the senior of the two was not posted in vacancies which arose after 26-2-46.

With reference to instructions in the explanation to sub rule (3) of rule 8 of the rules relating to the Establishments under District Boards the seniority of persons in a grade will be determined with reference to the date of first appointment in that grade. Dr. K. Narayana Shetty should therefore be considered to be the senior of the two and I recommend him for appointment in the second vacancy.

The enclosures received with the Government endorsement are returned herewith.

Your obedient servant

Government of Madras.

Copy of letter R.C.No.7614-46-A4 dated 2-9-46 from the President, District Board, South Kanara to the Surgeon-General with the Government of Madras.

Sub.- Establishment - Medical Officers L.F. - Appointment of Sri N. Padmanabha Rao and Sri K. Lakshminarayana Rao, in substantive vacancies - Information furnished

---

I enclose a list showing the particulars of the service etc of acting Medical Officers and Rural Medical Practitioners in Local Fund Medical Institutions as required in the reference quoted above.

2. Sri K. Lakshminarayana Rao is senior probationer to Sri M. Narayana Shetty in view of his total service counting for probation as acting Local Fund Medical Officer as per the explanation to rule 8 (3) of the Establishment rules issued in G.O. No. 2342-L. S.G. dated 2-6-1936, then in force.

3. Sri U.S. Nayak, the permanent Local Fund Medical Officer and Sri S. Subba Rao the permanent Rural Medical Practitioner, Punjalkatte are on military duty. Sri G.S. Rao and Sri V.S. Bakrabail who have acted as Rural Medical Practitioner and Local Fund Medical Officer have also joined the military duty. Sri V.S. Bakrabail requested for reservation of a vacancy of Local Fund Medical Officer under this District Board for re-employment on reversion from the Civil Pioneer force and Government have in their memorandum No. 41395 -D2-45-1 dated 16-10-45 informed that his claims may be considered along with the claims of persons who had no lien on their appointments under the District Board (vide Surgeon-General's Ref. No. 55476-2 E2/17-9-45. Sri K. Shambu Shetty, M.B.B.S., the Rural Medical Practitioner of Tricarpur was appointed as a Medical Officer for war technicians at Mangalore on 7-9-1943 and subsequently in November 1944 he accepted an appointment under the Madras Civil Labour Unit. Hence he was not allowed a lien on the post at Tricarpur as the service in the Madras Civil Labour Units was only treated as civil employment at that time vide your Ref. 66776-54-E1-44, dated 17-1-45. Copy of letter C.No.2519-38 dated 31st March 1938 of the President, District Board, South Kanara, addressed to the Secretary to Govt., Education & Public Health Dept., Madras.

Sir,

Subject; ESTABLISHMENT-Medical institutions-claims of acting Medical Officers-commencement of probation-orders -requested.

When the Medical Officer, L.F.Dispensary, Sullia was granted leave for 3 months from 1-11-1937, the two probationers having preferential claims to fill up the vacancy were unwilling to accept the vacancy. A candidate belonging to the schedule class whose turn it was to fill up the vacancy as per instructions issued in G.O.No. 2298 P.H., dated 13-9-1937 was not available. Hence a Medical Practitioner, a non-Brahmin was appointed to work in the vacancy under sub rule 3 of rule 1 of the communal Representation Rules and subject to the condition that in the event of another candidate with superior claims is forthcoming from among the Medical Practitioners attached to the Rural Dispensaries he (Mr. Narayana Shetty) will not be deemed to be a probationer for the post as per G.O.No. 2133 L & M., dated 4-6-1937.

2. In a subsequent vacancy at the L.F.Dispensary at Manjeshwar, a Medical Practitioner belonging to a Brahmin Community was appointed from 10-1-1938, as the candidates belonging to Mahumadan or Indian Christian Community were not available. His appointment was made subject to the conditions of Rule 2 of the Communal ----- Representation Rules.

3. As per G.O.No. 229, P.H., dated 20-1-1938, the Communal Representation Rules are not applicable for the appointment of -- Medical Officers. Since the above Medical Practitioners were appointed to act in Regular Institutions at the time the communal representation rules were in force and since the recent G.O.No. 229 P.H.,dated 20-1-1938 has no retrospective effect, I solicit orders of Government whether both the Medical Practitioners can be considered as probationers from the date of their appointment for appointments as per the Establishment Rules.

Your obedient servant,

Sir,

Sub:- ESTABLISHMENT - S.K.District Board - L.F.Medical Officers - Claims of Sri.K.Lakshminarayana Rao and Sri.M.Narayana Shetty - Rural Medical Practitioners - Reply sent.

With reference to Government Memorandum No.40186-4G-2 P.H dated 18-12-46, I have to state that as per the explanation to sub rule(3) of rule 8 of the Establishment rules issued in G.O.NO.2342 LSG, dated 2-6-1936, juniority as between persons who were on probation was required to be determined by the total length of service which counted for probation. This rule was amended in G.O.NO.250 L.A., dated 19-1-1940 by which the seniority had to be determined from the date of his first appointment which counted for probation.

2. The appointments of Sri.M.Narayana Shetty and Sri.K.Lakshminarayana Rao were made when the rules issued in G.O.NO.2342 LSG, dated 2-6-1936 were in force. Though Sri.Narayana Shetty was first appointed on probation on 23-11-1937 and Sri.K.Lakshminarayana Rao on 10-1-1938, the latter counts a service of 3 months and 21 days and the former 3 months 6 days. The seniority of Sri.K.Lakshminarayana Rao was due to the fact that he had put in more service qualifying for probation than Sri.M. Narayana Shetty and therefore he was preferred by the then President to subsequent vacancies which occured in Shirva, Buntwal and Moodabidri after 30-4-38.

3. As the post of the Reserve Medical Officer has to be filled up immediately Government may be pleased to pass urgent orders on my letter ROC.NO. 7614-A4-46 dated 17-7-46.

A vacancy of a post of Sub Asst. Surgeon under the Dt. Bd. S. Kanara occurred on 4/4/46 ~~when~~ owing to the ~~resignation~~ resignation tendered by one Sri M. Umesharao. ~~Another~~ A post of a reserve medical officer of the Sub Asst. Surgeon's grade was also created in G.O. No. 2717 P.H. Dated 13/9/46 and so there existed these two vacancies.

The then P.D.B. South Kanara suggested that one Dr. N. Padmanabharao, L.M.P., who was first appointed as acting medical officer on 9/11/34 may be appointed permanently in the first vacancy.

p 10 C.F

The P.D.B. also suggested that one Dr. K. LakshminarayanaRao) and it was not clear why Dr. Narayana Shetty was not appointed in a subsequent vacancy whereas his then junior was retained ~~appointed~~ in service as a consequence of which, Dr. LakshminarayanaRao has become a senior to Dr. Narayana Shetty under explanation to rule 8(3) of the rules.
